**DUAL STEERING STABILIZER MOUNT
2013-2022 DODGE RAM 2500 / 3500**

Includes:

- (1) Center Stabilizer Mount w/U-Bolt Retainer**
- (1) Driver Side Stabilizer Mount w/Hardware**
- (1) Passenger Side Stabilizer Mount w/Hardware**

Please note: This kit will only work with McGaughy's brand 4"-8" lift kits. It does not work on factory height or vehicles with leveling kits only.

Be sure to go over all hardware and retorque after 500 miles. Kit was designed to use FOX SHOCKS part # 985-24-063. When installing shocks, make sure to turn the wheels all the way to the right and left. Make sure the shocks are not limiting the steering, or they will fail. McGaughy's warranty does not cover FOX SHOCKS or any factory components.
